Requirements of the Mentorship:

1. Provide fingerprints and take part in an interview with the Mentor Support Association (MSA).
2. Participate in a two-hour mentor and protégé orientation and attend scheduled training sessions.
3. Meet with your protégé for at least four hours each month.
4. Talk with your protégé over the phone or via e-mail on a weekly basis.
5. Listen, be a friend, act as a role model, provide career information, help develop projects (if applicable), and in some cases, tutor your protégé.
6. Never meet with a protégé off-campus or take a protégé off-campus during school hours without first notifying the Academy and obtaining the express written permission of the protégé's parent or guardian. Off-campus meetings and meetings held outside of school hours are not considered school activities.
7. Participate in MSA mentor/protégé activities.

I agree to all the conditions stated above and do affirm that I have not nor am presently engaged in any activities of a criminal nature or involving moral misconduct. I also grant permission to the California Academy of Mathematics and Science to check with the appropriate authorities (courts, youth agencies, police, Department of Motor Vehicles, and others.) if necessary regarding my background or history and will provide fingerprints. My signature indicates my agreements with the above and that I understand that the school and student reserve the right not to engage the service or to discontinue the service of a mentor or prospective mentor for any reason or no reason.
